

#16489

📍 Centro, Torrevieja, Alicante

€320,000

If you are looking for real space in the center of Torrevieja, this is not an apartment... it is a house in height. 145m² where each room breathes spaciousness, with an open terrace and everything within walking distance: beach, services, and urban life. A difficult opportunity to repeat, large 3-bedroom apartment where one is en suite, 2 full bathrooms, independent living room with access to the front terrace that overlooks the Hermitage, side view of the sea and the park. Independent kitchen where you can enjoy family time as it is huge with its gallery and back terrace. Located on the third floor with an elevator and being unique on its floor, it offers privacy and tranquility in the urban center and also has a storage room on the roof and terrace where you can enjoy the sun or romantic summer nights. A perfect opportunity for a permanent home, second residence, or investment in one of the most sought-after areas of the city. Living here means having everything within walking distance: beach, shops, restaurants, and local life.
