€215,000

Charming 3 bedroom townhouse in Jalon ...Original castillian doors open into the cosy lounge and dining area with barrelled and beamed ceiling and recently installed log burner. A broad arch from the lounge leads into the fully fitted kitchen with wall and base units and a tiled backsplash to the sink, hob and oven. Stairs from the kitchen lead up to the first floor where the accommodation comprises: double bedroom 1 with beamed ceiling and original tiled floors; family shower room with corner shower, basin, WC and storage and double bedroom 2 with beamed ceiling. Stairs from the first floor landing take you up to the bright and spacious master bedroom with beamed ceiling, A/C, en-suite shower room and seating area with french doors opening onto the private terrace with village and mountain views. Back to the kitchen where a door leads out to the lovely paved courtyard with outside water, the gas casita and newly installed boiler. From the courtyard you can access the Almacen which would have been the original
