On the shores of the Mediterranean, in one of the most privileged enclaves of Torrevieja, stands an apartment that redefines the meaning of living in front of the sea. This home, with its four large bedrooms and two bathrooms, is presented as a haven of serenity where the sound of the waves sets the rhythm of each day. From the first moment, the home transmits a feeling of absolute calm, that unique sensation that is only found when the sea becomes part of your daily life. First impressions are unforgettable. As soon as you enter, natural light takes over the space, reflecting on well-kept surfaces and giving life to each room. The spaciousness of the apartment is perceived from the hall: each room seems designed to make the most of the clarity and the landscape, achieving an enveloping, bright and warm atmosphere. There is no corner that does not evoke well-being, nor moment that does not invite rest. The main living room, which acts as the heart of the home, opens towards the blue horizon, visually connecting the interior
