This sunny, well presented corner garden apartment offers one of the largest overall living spaces available on Hacienda Riquelme with the addition of the covered terrace with glass curtains that leads out to the private garden. Being a cornered apartment this apartment is very light and airy with an extra window in the living room and also has a window in the good sized bathroom. This popular curved wall design apartment already has the largest kitchen of the apartments on the development and has the added benefit of easily being made opened planned if required. The property has air-conditioning in the living room for summer and central heating throughout for the cooler winter months, plus ceiling fans throughout. There is allocated underground parking with elevator to all levels. The apartment is being sold furnished minus personal possessions. It would make an excellent holiday home or suitable for permanent living. The first thing that impresses you about Hacienda Riquelme Golf
