

#20171

 Torrevieja, Alicante

€154,700

In the sought-after area of Centro-Acequión, we present this unique opportunity featuring several apartments for sale in the same building, all fully renovated and benefiting from the highly desirable south-facing orientation, ensuring sunshine and warmth all year round. Each property has been redesigned with a modern, sophisticated, and functional concept, optimizing every square meter to offer maximum comfort. A spacious modern living room connects directly to the private terrace — the perfect place to relax, dine outdoors, or enjoy the area's privileged climate. The apartments offer 2 spacious double bedrooms with built-in wardrobes, a fully equipped kitchen with appliances, a modern bathroom with walk-in shower, and installed air conditioning for your total comfort. The properties are delivered fully furnished and equipped. Enjoy the convenience of having supermarkets, restaurants, health centers, and all essential services right on your doorstep, without needing a car. Available properties: 1ºA –
