Exclusive designer villa on a corner plot with panoramic views and a unique 140 m² underground garage. 3 Bedrooms | 2 Bathrooms | 262 m² Built Area | 312.67 m² Plot | Built in 2021 | Heated Private Pool | 60 m² Solarium | 140 m² Multifunctional Underground Garage | Panoramic Sea, Salt Lake & Nature Views

This exclusive designer villa, built in 2021 and set on a 312.67 m² corner plot, is a rare opportunity for those seeking space, luxury, and comfort. Thanks to its privileged corner position, the property enjoys enhanced privacy, abundant natural light, and a wonderful sense of openness. What truly sets this home apart from most newly built villas is its exceptional 140 m² underground garage and multifunctional basement. There is ample space to park multiple vehicles while still leaving plenty of room for a gym, home office, hobby room, games room, or even additional bedrooms. A unique feature that is rarely available in today's market. With a total built area of 262 m², the villa offers a bright and spacious living area with an open-plan
