Designer apartment with private balcony on the Explanada de España, Alicante

There are locations that cannot be explained, only felt. The Explanada de España is one of them: Alicante's most iconic promenade, where the Mediterranean, historic architecture, and urban life meet in perfect harmony. In this truly unique setting, we present this exclusive luxury residence, a home that redefines contemporary elegance by the sea.

Located on the first floor of a historic building from 1955, this 200 m² apartment has been completely renovated with a clear vision: to create a sophisticated, functional, and timeless space, where every detail has been carefully
