We are excited to offer this well presented 2-bedroom, 1-bathroom elevated ground floor apartment, complete with private garden areas to the front and rear of the property. Ideally located in the Monte Golf Urbanisation, Villamartin. This South-West facing apartment offers a good-sized terrace to the front of the apartment which overlooks the front garden and is a fantastic outside space to enjoy the sun in the afternoon and evenings. Moving inside, there is a large living area complete with newly installed air conditioning which leads on to a separate kitchen with outside utility area to the rear. There is a master bedroom with built in wardrobe with storage and air conditioning and a second double bedroom. The family bathroom comes complete with bath and shower. From the utility area, a few steps down will take you to the rear garden which is laid with artificial grass making it a lovely private area where you can enjoy the morning sun. This apartment is offered in excellent condition
