€850,000

Detached villa with 2,000 m² plot and guest apartment in El Chaparral. Some homes stand out because of their size. Others because of everything that space allows you to do. This detached villa is located in El Chaparral, Torrevieja, on an impressive plot of approximately 2,000 m², offering something increasingly difficult to find in the area: space, privacy and different areas designed to enjoy both indoor and outdoor living. The property offers approximately 550 m² built and retains the character of traditional Mediterranean architecture, with a beautiful central courtyard that becomes one of the key features of the home. The main house includes spacious living areas, a lounge with fireplace, an independent kitchen, utility room and several double bedrooms. The main bedroom also features an en-suite bathroom and dressing room. On the upper floor, another bedroom has direct access to a private solarium with views towards the salt lake, creating a particularly peaceful and independent area. One of the greatest advantages
