#23299

€125,000

Discover this magnificent apartment for sale in Albatera, Alicante. Spanning 83 m^2 and completely move-in ready, this property features a functional layout that includes three double bedrooms—ideal for families or couples in need of extra space. The apartment includes two well-equipped bathrooms and offers added security features, such as a reinforced entrance door. Being an entirely exterior-facing unit, it is filled with natural light, which enhances the overall sense of spaciousness. Additionally, you will have your own private storage room located on the building's terrace—a rare luxury—providing the perfect place to store belongings without taking up valuable living space inside the home. Strategically located just five minutes from Elche, the property is surrounded by essential amenities: convenient public transport, including regular bus services; local shopping centers for everyday needs; nearby schools and educational institutions; and hospitals, ensuring peace of mind in the event of any medical need.
